Lunch Box & 0,4 L Drinking Bottle

Bring your lunch with a familiar feeling of fun – the children will love it.

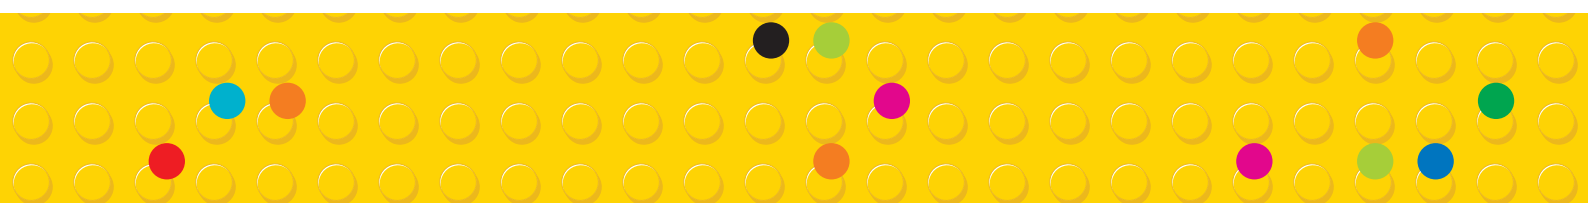

Lunch time is also fun time. Combine the smaller boxes with the larger one and have a useful place inside the box for your favourite foods: fruits, vegetables, muesli bars etc. – without the risk of it all mixing up during the day. You get the boxes and bottle in the classic LEGO® colours and of course in colours that appeal to both boys and girls.

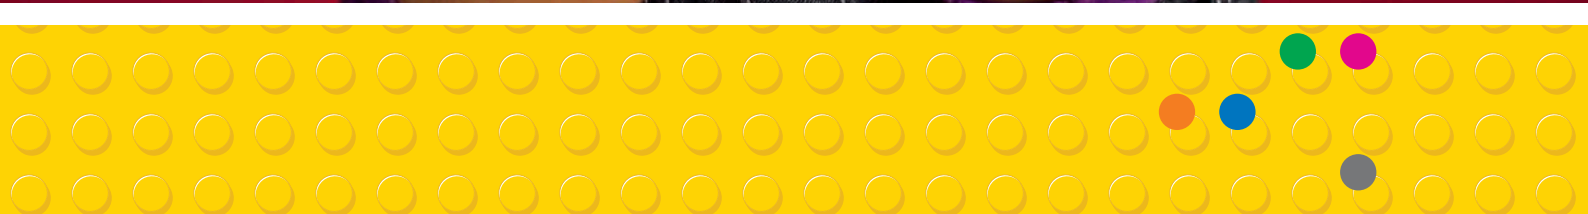

The design is kept in clean lines with the distinctive look and function that combines the different products in that special LEGO way.

These products fulfill the requirements within food safety regulations for the EU and US market. No PVC used.

Storage Brick

Let the children tidy up their room with a smile – this is home storage made fun.

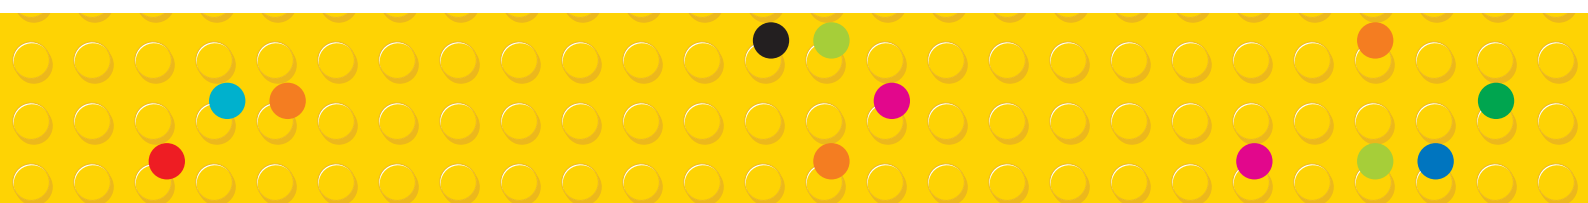

LEGO® storage provides an interesting angle on tidying up – it is like playing. You can actually stack the storage boxes like you are used to with the original LEGO bricks. It offers you a new and exciting way of doing interior decorating as well as the practical purpose of keeping everything tidy.

Gather all your regular LEGO bricks in this bigger storage brick and make it a more playful way of tidying up. The storage bricks come in classic LEGO colours and colours that appeal to both boys and girls for the sake of interior decorating

These products fulfill the requirements within toy safety regulations for the EU and US market. No PVC used.
